

# Improving Connections Within Focus Areas

- **Enola Low Grade Trail extension**
  - Why – Connects job and population centers; provides opportunities to hike, bike, enjoy nature; Quarryville recently adopted official map
  - Solution – Extend the trail and make connections with other communities and corridors
  - Best Practices – Other regional trails across Lancaster County

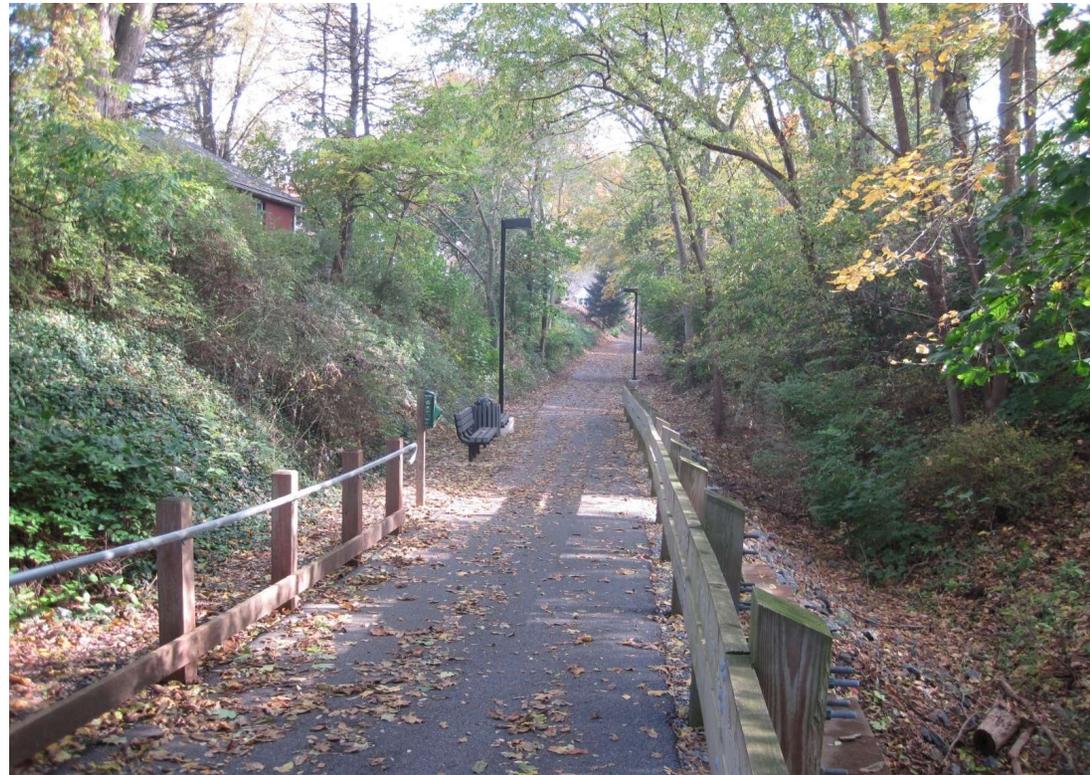

## Existing Conditions:

- Enola Low Grade Trail

## Best Practice:

- Warwick to Ephrata Rail Trail

- **Better connectivity in Quarryville Borough**
  - Why – Key hub in Southern Lancaster County; commercial/retail center; regional through traffic; downtown sidewalk network; horse & buggy traffic
  - Solution – Continue to address regional multi-modal needs (bicycle, pedestrian, buggy, freight) to better connect jobs and housing
  - Best Practices – Trail networks in Lititz, Elizabethtown, Marietta, Columbia

## Existing Conditions:

- Hess St., Quarryville

- State St., Quarryville
