MPMS	S.R.	PROJECT NAME	DESCRIPTION	MUNICIPALITY	NEW Project? Yes/No	COST**	PROJECT TYPE
121044	741	PA 741 Improvements	Funding placeholder to start design at the recommended location along the 741 corridors between PA 462 north to Harrisburg Pike. The corridor has several locations listed in the Lancaster Congestion Management Process. Improvements are not throughout the corridor, funding for this project would increase traffic efficiency at the most beneficial location (to be determined) and would likely not address all legs of the intersection. The entire corridor would be resurfaced as part of the future construction project. The corridor may have systemic safety improvements at select locations based on the Highway Network Screening Tool.	East Hempfield Township	Yes	\$800,000	Safety
114205	2029	Strasburg Pike Improvements	Improvements at the intersection of Strasburg Pike and Rockvale Road	East Lampeter Township and West Lampeter Township	No	\$3,325,237	Safety
119206	772	Market Square Improvement	Safety improvement and renovartion in Market Square	Manheim Borough	No	\$1,004,804	Safety
119672	501	Lititz Pike Safety Improvements	Safety Improvements on Lititz Pike from Belmont Avenue to Golf Drive	Manheim Township	No	\$810,739	Safety
114206	741	McGovernville Road Interchange Improvements	Interchange improvements at McGovernville Road/PA283	Manheim Township	No	\$5,720,474	Safety
